

CivicAssist — Person 3

India Civic / Municipal Government Scheme & Programme Master Knowledge Base

148 curated entries covering central, Tamil Nadu, Chennai/local, regulatory and boundary programmes.

What this file is for

This is a retrieval-ready knowledge base for CivicAssist. When a citizen types a complaint, the system should first identify the issue and jurisdiction, then retrieve relevant schemes/programmes/rules, verify the current guideline, and only then draft the complaint letter.

Important: India has thousands of government schemes and programmes. This document is deliberately focused on schemes and legal/programmatic frameworks that can plausibly help route civic complaints or citizen-benefit questions. It is *not* a claim that every scheme in India is included. The official myScheme platform is the broader discovery layer and should be used for expansion and current-status verification.

Do not let the AI invent eligibility. Scheme applicability, beneficiary eligibility, city coverage, funding windows and implementing agencies can change. The generated complaint should say “may be applicable / subject to eligibility and local verification” unless the retrieved official document proves the condition.

Recommended matching pipeline

Complaint → extract location + issue + urgency → identify municipal department → identify applicable programme/rule → check urban/rural boundary → retrieve current official guideline → quote/attach only verified facts → generate final complaint letter with source reference.

Scheme Index

#	Scheme / programme	Level	Main complaint area
1	AMRUT 2.0	Central	Water supply; sewerage; septage; parks; water bodies; reuse
2	Swachh Bharat Mission–Urban 2.0	Central	Solid waste; sanitation; toilets; ODF++; dumpsites; used-water management
3	PMAY-U 2.0	Central	Affordable housing; slum improvement; rental housing; home construction
4	DAY-NULM	Central	Urban livelihoods; SHGs; skills; street vendors; homeless shelters
5	PM SVANidhi	Central	Street vendors; working capital
6	PM-eBus Sewa	Central	City buses; public transport; e-buses
7	15th Finance Commission Urban Local Body Grants	Central fiscal transfer	Water; sanitation; local civic infrastructure; performance
8	National Urban Health Mission (NUHM)	Central	Urban primary healthcare
9	15th Finance Commission Health Grants	Central fiscal transfer	Urban health; health infrastructure
10	National Clean Air Programme (NCAP)	Central	Air pollution; clean-air action
11	Atal Mission for Rejuvenation and Urban Transformation (AMRUT)	Central	Water; sewerage; parks; urban amenities
12	Smart Cities Mission	Central	Urban infrastructure; smart mobility; ICT; public spaces
13	National Mission for Clean Ganga (NMCG)	Central	River pollution; sewage; riverfront; water quality
14	Jal Jeevan Mission (JJM)	Central	Rural drinking water
15	Jal Jeevan Mission 2.0	Central	Drinking water
16	Swachh Bharat Mission–Grameen Phase II	Central	Rural sanitation; solid/liquid waste
17	Atal Bhujal Yojana	Central	Groundwater management
18	National Aquifer Management Programme (NAQUIM)	Central	Groundwater
19	National Water Mission	Central	Water conservation; efficiency
20	Catch the Rain	Central campaign	Rainwater harvesting
21	National Lake Conservation Plan / water-body conservation programmes	Central	Lakes; water bodies; pollution
22	National Plan for Conservation of Aquatic Eco-systems (NPCA)	Central	Lakes/wetlands; pollution control
23	AMRUT 2.0 Water Body Rejuvenation	Central	Urban lakes/ponds
24	AMRUT 2.0 Parks & Green Spaces	Central	Parks; green spaces
25	PMAY-G	Central	Rural housing
26	MGNREGA	Central	Rural employment; water conservation; public works
27	PMGSY	Central	Rural roads
28	DAY-NRLM	Central	Rural livelihoods; SHGs
29	PM SVANidhi 2.0 / updated vendor support	Central	Street vendors
30	National Urban Digital Mission (NUDM)	Central	Digital municipal services
31	Urban Infrastructure Development Fund (UIDF)	Central	Urban infrastructure
32	Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT)	Central	Urban infrastructure
33	Integrated Power Development Scheme (IPDS)	Central	Urban electricity distribution
34	Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY)	Central	Rural electricity
35	Revamped Distribution Sector Scheme (RDSS)	Central	Electricity distribution
36	PM Surya Ghar: Muft Bijli Yojana	Central	Rooftop solar; household electricity
37	Grid Connected Rooftop Solar Programme Phase II	Central	Rooftop solar
38	PM-KUSUM	Central	Solar pumps; agricultural power
39	National Green Hydrogen Mission	Central	Green hydrogen
40	UJALA	Central	Energy efficiency; LED lighting
41	Street Lighting National Programme (SLNP)	Central	Streetlights
42	FAME India / electric mobility programmes	Central	EVs; public transport
43	PM E-DRIVE	Central	Electric mobility; charging
44	National Mission on Sustainable Habitat	Central	Sustainable urbanisation
45	National Urban Transport Policy	National policy	Urban mobility
46	PM Gati Shakti	Central	Infrastructure planning
47	BharatNet	Central	Rural broadband
48	Digital India	Central	Digital public services

#	Scheme / programme	Level	Main complaint area
49	Common Service Centres (CSC)	Central	Citizen service access
50	Accessible India Campaign (Sugamya Bharat)	Central	Accessibility; public buildings; transport
51	Rights of Persons with Disabilities implementation framework	Central/legal	Accessibility; inclusion
52	National Disaster Management Plan	Central	Flood; cyclone; disaster preparedness
53	National Cyclone Risk Mitigation Project	Central/legacy	Cyclone resilience
54	National Disaster Response Force framework	Central	Emergency response
55	Atal Mission for Rejuvenation of Urban Transformation – Central water/drainage projects	Central	Water; water, drainage
56	National Mission for Urban Housing – Affordable Rental Housing Complexes (ARHCs)	Central	Housing
57	Technology & Innovation Grant under PMAY-U 2.0	Central	Housing technology
58	Credit Linked/Interest Subsidy component under PMAY-U	Central	Home loans
59	National Mission on Clean Ganga – Namami Gange	Central	River/sewage pollution
60	Atal Innovation Mission	Central	Innovation; civic technology
61	National Livelihood Mission – urban skill/self-employment components	Central	Skills; self-employment
62	Shelter for Urban Homeless (SUH)	Central	Homeless shelters
63	Self Help Groups / Social Mobilization under DAY-NULM	Central	SHGs; livelihoods
64	Capacity Building for Urban Development	Central	ULB capacity
65	Kalaigarnagar Mampattu Thittam (KNMT)	Tamil Nadu	Urban roads; parks; water bodies; bus stands; water supply; public assets
66	Tamil Nadu Urban Employment Scheme (TNUES)	Tamil Nadu	Urban employment; public works; water bodies; parks; sanitation
67	Tamil Nadu Urban Road Infrastructure Project (TURIP)	Tamil Nadu	Urban roads
68	Namakkal Naame Thittam (Urban)	Tamil Nadu	Community-participation civic infrastructure
69	State Finance Commission grants to ULBs	Tamil Nadu	Urban local services
70	15th CFC Tied Grant – Tamil Nadu ULB implementation	Tamil Nadu/local	Water; sanitation
71	15th CFC Untied Grant – Tamil Nadu ULB implementation	Tamil Nadu/local	Local civic infrastructure
72	State Urban Infrastructure Development Fund / urban infrastructure funding	Tamil Nadu	Urban infrastructure
73	Chief Minister's Breakfast Scheme	Tamil Nadu	Nutrition; schools
74	Kalaigarnagar Magalir Urimai Thogai	Tamil Nadu	Women; income support
75	Pudhumai Penn Thittam	Tamil Nadu	Girls' higher education support
76	Tamizh Pudhalvan	Tamil Nadu	Boys' higher education support
77	Social Security Pensions – Tamil Nadu	Tamil Nadu	Old age; widow; disability and other pensions
78	Dr Muthulakshmi Reddy Maternity Benefit Scheme	Tamil Nadu	Maternity support
79	National Urban Health Mission – Tamil Nadu implementation	Tamil Nadu/central	Urban health centres
80	Chennai Metro Rail Phase II	Tamil Nadu	Metro/public transport
81	Greater Chennai Corporation Citizen Charter	Local service framework	Water; roads; sanitation; streetlights; public health; certificates; licences
82	GCC Integrated Command and Control / grievance system	Local	Citizen complaints; emergency civic services
83	Tamil Nadu Urban Water Supply / Water Supply projects	Tamil Nadu	Water supply
84	Chennai Metropolitan Water Supply and Sewerage Board	Local/state	Water and sewerage
85	Tamil Nadu Pollution Control Board regulatory framework	State regulator	Air; water; noise; waste; industrial pollution
86	Solid Waste Management Rules, 2016 + amendments	National rules	Solid waste
87	Solid Waste Management Rules, 2026	National rules	Solid waste; resource recovery
88	Plastic Waste Management Rules, 2016 + amendments	National rules	Plastic waste
89	Construction and Demolition Waste Management Rules, 2016	National rules	Construction debris
90	Bio-Medical Waste Management Rules, 2016	National rules	Biomedical waste
91	E-Waste Management Rules, 2022	National rules	Electronic waste
92	Battery Waste Management Rules, 2022	National rules	Batteries
93	Noise Pollution (Regulation and Control) Rules, 2000	National rules	Noise
94	Environment Protection Act, 1986	National law	Environmental pollution
95	Air (Prevention and Control of Pollution) Act, 1981	National law	Air pollution
96	Water (Prevention and Control of Pollution) Act, 1974	National law	Water pollution
97	Wetlands (Conservation and Management) Rules, 2017	National rules	Wetlands
98	Model Building Bye-Laws 2016	National guidance	Building permissions; accessibility; parking; fire safety

#	Scheme / programme	Level	Main complaint area
99	National Building Code of India 2016	National code	Building safety; accessibility; fire/life safety
100	Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014	National law	Street vending
101	Maintenance and Welfare of Parents and Senior Citizens Act, 2007	National law	Senior citizens
102	Rights of Persons with Disabilities Act, 2016	National law	Accessibility; discrimination
103	National Food Security Act / PDS framework	Central	Food security
104	One Nation One Ration Card	Central	Portable food entitlement
105	Ayushman Bharat PM-JAY	Central	Health insurance
106	Ayushman Bharat Digital Mission (ABDM)	Central	Digital health
107	Pradhan Mantri Ujjwala Yojana	Central	Clean cooking fuel
108	PM Garib Kalyan / social protection measures	Central	Social protection
109	National Social Assistance Programme (NSAP)	Central	Pensions; family assistance
110	PM SVANidhi digital payments incentive	Central	Street vendors; digital payments
111	PM Formalisation of Micro Food Processing Enterprises (PMFME)	Central	Micro enterprises; food processing
112	Prime Minister's Employment Generation Programme (PMEGP)	Central	Micro-enterprise employment
113	Pradhan Mantri Mudra Yojana (PMMY)	Central	Micro-enterprise credit
114	Stand-Up India	Central	Entrepreneurship; SC/ST; women
115	Startup India	Central	Startups; innovation
116	Skill India / PMKVY	Central	Skill training
117	National Apprenticeship Promotion Scheme (NAPS)	Central	Apprenticeships
118	Pradhan Mantri Kaushal Vikas Yojana	Central	Skills
119	National Urban Livelihoods Mission – SEP	Central	Self-employment
120	National Urban Livelihoods Mission – EST&P	Central	Employment/skills
121	National Urban Livelihoods Mission – SM&ID	Central	SHGs/institution building
122	National Urban Livelihoods Mission – SUSV	Central	Street vendors
123	National Urban Livelihoods Mission – urban shelters	Central	Homelessness
124	Pradhan Mantri Jan Dhan Yojana	Central	Banking inclusion
125	PM Jeevan Jyoti Bima Yojana	Central	Life insurance
126	PM Suraksha Bima Yojana	Central	Accident insurance
127	Atal Pension Yojana	Central	Pension
128	National Apprenticeship / NAPS-2	Central	Employment/skills
129	Pradhan Mantri Awas Yojana – Urban 2.0 Beneficiary Led Construction	Central	Individual house construction
130	PMAY-U 2.0 Affordable Housing in Partnership	Central	Affordable housing projects
131	PMAY-U 2.0 Affordable Rental Housing	Central	Rental housing
132	PMAY-U 2.0 Interest Subsidy Scheme	Central	Housing finance
133	SBM-U 2.0 Used Water Management	Central	Faecal sludge; wastewater
134	SBM-U 2.0 Legacy Waste Remediation	Central	Dumpsites; legacy waste
135	SBM-U 2.0 Material Recovery Facilities	Central	Dry waste; recycling
136	SBM-U 2.0 Public/Community Toilets	Central	Public sanitation
137	SBM-U 2.0 Source Segregation	Central	Household waste collection
138	AMRUT 2.0 Sewerage & Septage	Central	Sewerage; septage
139	AMRUT 2.0 Water Supply Coverage	Central	Piped water
140	AMRUT 2.0 Reuse of Treated Water	Central	Water reuse
141	AMRUT 2.0 Rainwater/Water Conservation	Central	Water conservation
142	Urban Flood Management / drainage programmes	Central/state/local	Urban flooding; drainage
143	National Mission for Sustainable Agriculture – water efficiency	Central	Water efficiency
144	Pradhan Mantri Krishi Sinchayee Yojana	Central	Irrigation/water conservation
145	Per Drop More Crop	Central	Micro-irrigation
146	Mission Amrit Sarovar	Central	Water bodies
147	GOBARdhan	Central	Biogas; organic waste
148	National Mission on Edible Oils – Oil Palm	Central	Agriculture

1. AMRUT 2.0

Level: Central **Authority:** MoHUA

Complaint domains: Water supply; sewerage; septage; parks; water bodies; reuse

What it does: Urban water-security mission; city projects can cover water supply augmentation, sewerage/septage, water-body rejuvenation and green spaces.

AI matching signals: No-water, low pressure, leaking distribution, sewerage gaps, septic/faecal-sludge issues, polluted water body, park/green-space infrastructure.

Applicability: Urban ULBs

Official source: <https://amrut.mohua.gov.in/>

2. Swachh Bharat Mission–Urban 2.0

Level: Central **Authority:** MoHUA

Complaint domains: Solid waste; sanitation; toilets; ODF++; dumpsites; used-water management

What it does: Urban sanitation and solid-waste mission; includes source segregation, processing, scientific disposal, public/community sanitation and remediation of legacy waste.

AI matching signals: Garbage accumulation, open dumping, litter, overflowing bins, public toilet issues, waste processing, dumpsites.

Applicability: Urban ULBs

Official source: <https://sbmurban.org/>

3. PMAY-U 2.0

Level: Central **Authority:** MoHUA

Complaint domains: Affordable housing; slum improvement; rental housing; home construction

What it does: Urban housing mission with beneficiary-linked and project-based components. Eligibility and component must be checked before claiming benefit.

AI matching signals: No house, unsafe/temporary house, slum housing, affordable/rental housing request.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

4. DAY-NULM

Level: Central **Authority:** MoHUA

Complaint domains: Urban livelihoods; SHGs; skills; street vendors; homeless shelters

What it does: Supports urban poor livelihoods, self-help groups, skills, shelters and related institutional support.

AI matching signals: Unemployment, livelihood support, urban poor SHG, skill training, homeless shelter.

Applicability: Urban

Official source: <https://nulm.gov.in/>

5. PM SVANidhi

Level: Central **Authority:** MoHUA

Complaint domains: Street vendors; working capital

What it does: Credit support and related incentives for eligible street vendors; local vending rules and verification still apply.

AI matching signals: Street vendor wants working capital, vending livelihood support, vendor registration-related issues.

Applicability: Urban

Official source: <https://pmsvanidhi.mohua.gov.in/>

6. PM-eBus Sewa

Level: Central **Authority:** MoHUA

Complaint domains: City buses; public transport; e-buses

What it does: Supports augmentation of city bus services with electric buses and associated ecosystem in eligible cities.

AI matching signals: No bus service, inadequate routes, urban public transport, bus-stop/service infrastructure.

Applicability: Selected urban areas

Official source: <https://mohua.gov.in/>

7. 15th Finance Commission Urban Local Body Grants

Level: Central fiscal transfer **Authority:** MoF/MoHUA

Complaint domains: Water; sanitation; local civic infrastructure; performance

What it does: Tied and untied grants to eligible ULBs can finance specified civic services; exact use depends on grant conditions and local plans.

AI matching signals: Water, sanitation, waste, local civic infrastructure where ULB funding is relevant.

Applicability: ULBs

Official source: <https://fincomindia.nic.in/>

8. National Urban Health Mission (NUHM)

Level: Central **Authority:** MoHFW

Complaint domains: Urban primary healthcare

What it does: Urban health infrastructure and services, including Urban Health & Wellness Centres and outreach for vulnerable urban populations.

AI matching signals: Missing/poor urban primary health services, health-centre infrastructure, outreach.

Applicability: Urban

Official source: <https://nhm.gov.in/>

9. 15th Finance Commission Health Grants

Level: Central fiscal transfer **Authority:** MoHFW/MoF

Complaint domains: Urban health; health infrastructure

What it does: Health grants can support specified local health infrastructure and services subject to guidelines and state implementation.

AI matching signals: Need for urban health centre, diagnostics/public-health infrastructure.

Applicability: Urban/local bodies

Official source: <https://nhm.gov.in/>

10. National Clean Air Programme (NCAP)

Level: Central **Authority:** MoEFCC

Complaint domains: Air pollution; clean-air action

What it does: City action plans and measures to improve ambient air quality in identified cities.

AI matching signals: Air pollution, dust, burning, traffic emissions, construction dust, monitoring concerns.

Applicability: Identified cities

Official source: <https://moef.gov.in/>

11. Atal Mission for Rejuvenation and Urban Transformation (AMRUT) legacy

Level: Central **Authority:** MoHUA

Complaint domains: Water; sewerage; parks; urban amenities

What it does: Earlier AMRUT projects continue to exist; use current project records/guidelines rather than assuming new funding.

AI matching signals: Legacy water/sewerage/parks project complaint.

Applicability: Urban

Official source: <https://mohua.gov.in/>

12. Smart Cities Mission

Level: Central **Authority:** MoHUA

Complaint domains: Urban infrastructure; smart mobility; ICT; public spaces

What it does: Legacy mission with city-specific projects; use only where a relevant project/asset exists and current local status is verified.

AI matching signals: Smart-city asset, command centre, smart mobility, public-space project.

Applicability: Selected cities

Official source: <https://smartcities.gov.in/>

13. National Mission for Clean Ganga (NMCG)

Level: Central **Authority:** Jal Shakti

Complaint domains: River pollution; sewage; riverfront; water quality

What it does: Projects under the Ganga programme can address sewage treatment and river pollution in covered river basins/cities.

AI matching signals: Sewage entering river, river pollution, STP gap, riverfront/public water-quality issue in covered area.

Applicability: Ganga basin/covered projects

Official source: <https://nmcg.nic.in/>

14. Jal Jeevan Mission (JJM)

Level: Central **Authority:** Jal Shakti

Complaint domains: Rural drinking water

What it does: Rural household tap-water mission; should not be automatically applied to an urban municipal complaint.

AI matching signals: Rural/peri-rural drinking-water supply where jurisdiction is rural.

Applicability: Rural

Official source: <https://jaljeevanmission.gov.in/>

15. Jal Jeevan Mission 2.0

Level: Central **Authority:** Jal Shakti

Complaint domains: Drinking water

What it does: Current JJM phase; verify rural/urban jurisdiction and latest operational guidance before routing.

AI matching signals: Drinking-water supply in eligible JJM jurisdiction.

Applicability: Primarily rural

Official source: <https://jaljeevanmission.gov.in/>

16. Swachh Bharat Mission–Grameen Phase II

Level: Central **Authority:** Jal Shakti

Complaint domains: Rural sanitation; solid/liquid waste

What it does: Rural ODF sustainability and solid/liquid waste management.

AI matching signals: Rural sanitation/waste complaint, not ordinary city municipal complaint.

Applicability: Rural

Official source: <https://swachhbharatmission.ddws.gov.in/>

17. Atal Bhujal Yojana

Level: Central **Authority:** Jal Shakti

Complaint domains: Groundwater management

What it does: Community-led groundwater management in selected states/areas; relevant to groundwater stress rather than routine city pipe complaints.

AI matching signals: Groundwater depletion, community water planning in covered areas.

Applicability: Selected areas

Official source: <https://ataljal.mowr.gov.in/>

18. National Aquifer Management Programme (NAQUIM)

Level: Central **Authority:** CGWB/Jal Shakti

Complaint domains: Groundwater

What it does: Aquifer mapping and groundwater management information.

AI matching signals: Groundwater quality/availability planning; not a direct individual complaint benefit.

Applicability: National/selected areas

Official source: <https://cgwb.gov.in/>

19. National Water Mission

Level: Central **Authority:** Jal Shakti

Complaint domains: Water conservation; efficiency

What it does: Water conservation and efficiency mission framework.

AI matching signals: Water conservation, efficiency, demand-management policy context.

Applicability: National

Official source: <https://nwm.gov.in/>

20. Catch the Rain

Level: Central campaign **Authority:** Jal Shakti

Complaint domains: Rainwater harvesting

What it does: Water-conservation campaign promoting rainwater harvesting and local water stewardship.

AI matching signals: Rainwater harvesting, recharge, water conservation.

Applicability: National

Official source: <https://nwm.gov.in/>

21. National Lake Conservation Plan / water-body conservation programmes

Level: Central **Authority:** MoEFCC

Complaint domains: Lakes; water bodies; pollution

What it does: Water-body restoration/conservation framework; exact programme and funding route varies by location.

AI matching signals: Polluted lake, encroachment-related environmental complaint, lake restoration.

Applicability: Selected water bodies

Official source: <https://moef.gov.in/>

22. National Plan for Conservation of Aquatic Eco-systems (NPCA)

Level: Central **Authority:** MoEFCC

Complaint domains: Lakes/wetlands; pollution control

What it does: Conservation and management of aquatic ecosystems through approved projects.

AI matching signals: Lake/wetland pollution or restoration in covered projects.

Applicability: Selected ecosystems

Official source: <https://moef.gov.in/>

23. AMRUT 2.0 Water Body Rejuvenation

Level: Central **Authority:** MoHUA

Complaint domains: Urban lakes/ponds

What it does: AMRUT 2.0 includes rejuvenation of urban water bodies.

AI matching signals: Urban lake/pond degradation, restoration, water quality, catchment issues.

Applicability: Urban ULBs

Official source: <https://amrut.mohua.gov.in/>

24. AMRUT 2.0 Parks & Green Spaces

Level: Central **Authority:** MoHUA

Complaint domains: Parks; green spaces

What it does: Supports development of parks/green spaces as part of urban transformation.

AI matching signals: Missing/poor park infrastructure where a city project is eligible.

Applicability: Urban ULBs

Official source: <https://amrut.mohua.gov.in/>

25. PMAY-G

Level: Central **Authority:** Ministry of Rural Development

Complaint domains: Rural housing

What it does: Rural housing mission; boundary case for complaints outside municipal jurisdiction.

AI matching signals: Unsafe/no rural house.

Applicability: Rural

Official source: <https://pmayg.nic.in/>

26. MGNREGA

Level: Central **Authority:** Ministry of Rural Development

Complaint domains: Rural employment; water conservation; public works

What it does: Rural employment programme; can support permissible water-conservation/public works in rural areas.

AI matching signals: Rural unemployment, water conservation/public works.

Applicability: Rural

Official source: <https://nrega.nic.in/>

27. PMGSY

Level: Central **Authority:** Ministry of Rural Development

Complaint domains: Rural roads

What it does: Rural road connectivity programme; not a city-road scheme.

AI matching signals: Rural road connectivity.

Applicability: Rural

Official source: <https://pmgsy.nic.in/>

28. DAY-NRLM

Level: Central **Authority:** Ministry of Rural Development

Complaint domains: Rural livelihoods; SHGs

What it does: Rural livelihood/SHG programme; boundary case.

AI matching signals: Rural livelihood/SHG complaint.

Applicability: Rural

Official source: <https://aajeevika.gov.in/>

29. PM SVANidhi 2.0 / updated vendor support

Level: Central **Authority:** MoHUA

Complaint domains: Street vendors

What it does: Use the current PM SVANidhi portal/guidelines for active lending/incentive provisions.

AI matching signals: Street vendor credit/support.

Applicability: Urban

Official source: <https://pmsvanidhi.mohua.gov.in/>

30. National Urban Digital Mission (NUDM)

Level: Central **Authority:** MoHUA

Complaint domains: Digital municipal services

What it does: Digital public infrastructure and municipal service delivery; not a cash-benefit scheme.

AI matching signals: Online municipal services, digital grievance/service access.

Applicability: Urban

Official source: <https://nudm.mohua.gov.in/>

31. Urban Infrastructure Development Fund (UIDF)

Level: Central **Authority:** MoHUA/NHB

Complaint domains: Urban infrastructure

What it does: Funding mechanism for eligible tier-2/tier-3 urban infrastructure; projects are institutional rather than direct citizen benefits.

AI matching signals: Roads, water, drainage and urban infrastructure where eligible project funding exists.

Applicability: Eligible urban areas

Official source: <https://www.nhb.org.in/>

32. Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) legacy

Level: Central/legacy **Authority:** MoHUA

Complaint domains: Urban infrastructure

What it does: Legacy programme; use only for historical/project records.

AI matching signals: Infrastructure project complaints tied to legacy assets.

Applicability: Legacy/selected towns

Official source: <https://mohua.gov.in/>

33. Integrated Power Development Scheme (IPDS)

Level: Central **Authority:** Ministry of Power

Complaint domains: Urban electricity distribution

What it does: Urban distribution strengthening, metering and network improvements.

AI matching signals: Urban power-distribution reliability/infrastructure.

Applicability: Urban

Official source: <https://powermin.gov.in/>

34. Deen Dayal Upadhyaya Gram Jyoti Yojana (DDUGJY)

Level: Central **Authority:** Ministry of Power

Complaint domains: Rural electricity

What it does: Rural distribution strengthening and electrification; boundary case.

AI matching signals: Rural electricity access/network.

Applicability: Rural

Official source: <https://powermin.gov.in/>

35. Revamped Distribution Sector Scheme (RDSS)

Level: Central **Authority:** Ministry of Power

Complaint domains: Electricity distribution

What it does: Modernisation and loss reduction of distribution utilities; consumer service issues are usually routed to DISCOM first.

AI matching signals: Power outages, distribution infrastructure, metering/service reliability.

Applicability: National

Official source: <https://rdss.gov.in/>

36. PM Surya Ghar: Muft Bijli Yojana

Level: Central **Authority:** MNRE

Complaint domains: Rooftop solar; household electricity

What it does: Residential rooftop solar support through the national portal and DISCOM process.

AI matching signals: High electricity bills, rooftop solar interest, household solar installation.

Applicability: Residential

Official source: <https://www.pmsuryaghar.gov.in/>

37. Grid Connected Rooftop Solar Programme Phase II

Level: Central **Authority:** MNRE

Complaint domains: Rooftop solar

What it does: Residential rooftop solar CFA/incentive framework; current programme should be checked against PM Surya Ghar guidance.

AI matching signals: Rooftop solar installation/subsidy.

Applicability: Residential

Official source: <https://mnre.gov.in/en/grid-connected-solar-rooftop-programme/>

38. PM-KUSUM

Level: Central **Authority:** MNRE

Complaint domains: Solar pumps; agricultural power

What it does: Solarisation of agriculture pumps/feeders and decentralised solar generation; rural/agricultural boundary case.

AI matching signals: Solar irrigation pump, agricultural feeder solarisation.

Applicability: Rural/agriculture

Official source: <https://pmkusum.mnre.gov.in/>

39. National Green Hydrogen Mission

Level: Central **Authority:** MNRE

Complaint domains: Green hydrogen

What it does: Industrial/energy transition mission, usually not a citizen complaint route.

AI matching signals: Municipal/industrial clean-energy project context.

Applicability: National

Official source: <https://mnre.gov.in/>

40. UJALA

Level: Central **Authority:** Ministry of Power/EESL

Complaint domains: Energy efficiency; LED lighting

What it does: LED/energy-efficiency programme; useful as policy context for municipal energy-efficiency projects.

AI matching signals: Street/public lighting efficiency or household LED context.

Applicability: National

Official source: <https://eeslindia.org/>

41. Street Lighting National Programme (SLNP)

Level: Central **Authority:** EESL

Complaint domains: Streetlights

What it does: Energy-efficient LED street-light replacement programme in participating ULBs.

AI matching signals: Non-functioning/inefficient streetlights where SLNP assets are present.

Applicability: Selected ULBs

Official source: <https://eeslindia.org/>

42. FAME India / electric mobility programmes

Level: Central **Authority:** Heavy Industries

Complaint domains: EVs; public transport

What it does: Electric mobility support; current phase/status should be checked before routing.

AI matching signals: EV charging/public e-mobility infrastructure.

Applicability: National/eligible projects

Official source: <https://heavyindustries.gov.in/>

43. PM E-DRIVE

Level: Central **Authority:** Ministry of Heavy Industries

Complaint domains: Electric mobility; charging

What it does: Current electric-mobility support framework; verify eligible vehicle/infrastructure category.

AI matching signals: EV charging infrastructure, electric mobility.

Applicability: Eligible categories

Official source: <https://heavyindustries.gov.in/>

44. National Mission on Sustainable Habitat

Level: Central **Authority:** MoHUA

Complaint domains: Sustainable urbanisation

What it does: Policy/mission framework covering sustainable transport, waste, buildings and water.

AI matching signals: Cross-cutting urban sustainability complaints.

Applicability: National

Official source: <https://mohua.gov.in/>

45. National Urban Transport Policy

Level: National policy **Authority:** MoHUA

Complaint domains: Urban mobility

What it does: Policy framework supporting public transport, walking, cycling and demand management.

AI matching signals: Bus, pedestrian, cycling, traffic-management planning.

Applicability: National

Official source: <https://mohua.gov.in/>

46. PM Gati Shakti

Level: Central **Authority:** Government of India

Complaint domains: Infrastructure planning

What it does: Integrated infrastructure planning platform; not a direct citizen benefit.

AI matching signals: Major infrastructure/utility coordination context.

Applicability: National

Official source: <https://dpiit.gov.in/>

47. BharatNet

Level: Central **Authority:** DoT

Complaint domains: Rural broadband

What it does: Rural broadband connectivity; boundary case for municipal complaints.

AI matching signals: Rural internet connectivity.

Applicability: Rural

Official source: <https://bharatnet.in/>

48. Digital India

Level: Central **Authority:** MeitY

Complaint domains: Digital public services

What it does: Digital service-delivery mission; useful for e-governance service access.

AI matching signals: Online public-service access/digital governance.

Applicability: National

Official source: <https://www.digitalindia.gov.in/>

49. Common Service Centres (CSC)

Level: Central **Authority:** MeitY

Complaint domains: Citizen service access

What it does: Assisted access to government/digital services; not a municipal infrastructure scheme.

AI matching signals: Difficulty accessing online government services.

Applicability: National

Official source: <https://csc.gov.in/>

50. Accessible India Campaign (Sugamya Bharat)

Level: Central **Authority:** DEPwD

Complaint domains: Accessibility; public buildings; transport

What it does: Accessibility programme for barrier-free public infrastructure/services.

AI matching signals: No ramps, inaccessible public office, accessible toilets, public transport accessibility.

Applicability: National

Official source: <https://depwd.gov.in/>

51. Rights of Persons with Disabilities implementation framework

Level: Central/legal **Authority:** DEPwD

Complaint domains: Accessibility; inclusion

What it does: Legal/programmatic framework; complaints may involve accessibility duties rather than a scheme benefit.

AI matching signals: Accessible footpaths, buildings, public services, transport.

Applicability: National

Official source: <https://depwd.gov.in/>

52. National Disaster Management Plan

Level: Central **Authority:** NDMA

Complaint domains: Flood; cyclone; disaster preparedness

What it does: National disaster-risk framework; state/district authorities implement response and mitigation.

AI matching signals: Flooding, cyclone, disaster preparedness and response.

Applicability: National

Official source: <https://ndma.gov.in/>

53. National Cyclone Risk Mitigation Project

Level: Central/legacy **Authority:** NDMA

Complaint domains: Cyclone resilience

What it does: Cyclone-risk reduction infrastructure in covered states/projects.

AI matching signals: Cyclone-prone infrastructure/resilience issue.

Applicability: Selected states

Official source: <https://ndma.gov.in/>

54. National Disaster Response Force framework

Level: Central **Authority:** MHA/NDMA

Complaint domains: Emergency response

What it does: Emergency response mechanism; not a routine municipal scheme.

AI matching signals: Major disaster/emergency requiring response.

Applicability: National

Official source: <https://ndma.gov.in/>

55. Atal Mission for Rejuvenation of Urban Transformation – storm-water/drainage projects

Level: Central **Authority:** MoHUA

Complaint domains: Storm water; drainage

What it does: AMRUT/AMRUT 2.0 city infrastructure can include drainage-related works subject to approved project scope.

AI matching signals: Waterlogging, blocked drainage, storm-water infrastructure.

Applicability: Urban/project-specific

Official source: <https://amrut.mohua.gov.in/>

56. National Mission for Urban Housing – Affordable Rental Housing Complexes (ARHC)

Level: Central **Authority:** MoHUA

Complaint domains: Rental housing

What it does: Rental housing component under PMAY-U framework for eligible urban groups.

AI matching signals: Homelessness, migrant-worker rental housing, affordable rental accommodation.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

57. Technology & Innovation Grant under PMAY-U 2.0

Level: Central **Authority:** MoHUA

Complaint domains: Housing technology

What it does: Supports eligible innovative construction technology/project implementation under PMAY-U 2.0.

AI matching signals: Affordable/innovative housing project.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

58. Credit Linked/Interest Subsidy component under PMAY-U 2.0

Level: Central **Authority:** MoHUA

Complaint domains: Home loans

What it does: Housing-loan interest subsidy component; current eligibility must be checked.

AI matching signals: Eligible household seeking home finance support.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

59. National Mission on Clean Ganga – Namami Gange

Level: Central **Authority:** Jal Shakti

Complaint domains: River/sewage pollution

What it does: Umbrella river-rejuvenation programme; use covered basin/project status.

AI matching signals: River pollution, sewage discharge, STP gaps.

Applicability: Covered basin/projects

Official source: <https://nmcg.nic.in/>

60. Atal Innovation Mission

Level: Central **Authority:** NITI Aayog

Complaint domains: Innovation; civic technology

What it does: Innovation ecosystem rather than a municipal complaint scheme.

AI matching signals: Civic-tech innovation/programme support.

Applicability: National

Official source: <https://aim.gov.in/>

61. National Livelihood Mission – urban skill/self-employment components

Level: Central **Authority:** MoHUA

Complaint domains: Skills; self-employment

What it does: DAY-NULM components include skill training and self-employment support.

AI matching signals: Unemployment, skill training, micro-enterprise.

Applicability: Urban

Official source: <https://nulm.gov.in/>

62. Shelter for Urban Homeless (SUH)

Level: Central **Authority:** MoHUA

Complaint domains: Homeless shelters

What it does: DAY-NULM shelter component for urban homeless.

AI matching signals: Homeless person/shelter availability.

Applicability: Urban

Official source: <https://nulm.gov.in/>

63. Self Help Groups / Social Mobilization under DAY-NULM

Level: Central **Authority:** MoHUA

Complaint domains: SHGs; livelihoods

What it does: Urban SHG formation, financial inclusion and livelihood support.

AI matching signals: Urban women/poor groups seeking SHG/livelihood support.

Applicability: Urban

Official source: <https://nulm.gov.in/>

64. Capacity Building for Urban Development

Level: Central **Authority:** MoHUA

Complaint domains: ULB capacity

What it does: Institutional capacity support; not a direct household benefit.

AI matching signals: Municipal service-delivery capacity issues.

Applicability: Urban

Official source: <https://mohua.gov.in/>

65. Kalaingar Nagarpura Mempatu Thittam (KNMT)

Level: Tamil Nadu **Authority:** MAWS

Complaint domains: Urban roads; parks; water bodies; bus stands; water supply; public assets

What it does: Tamil Nadu urban infrastructure programme. Project categories visible on the state urban portal include parks, water bodies, roads, bus stands and water-supply works.

AI matching signals: Bad urban roads, park gaps, water-body deterioration, bus-stand infrastructure, water-supply improvement.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/>

66. Tamil Nadu Urban Employment Scheme (TNUES)

Level: Tamil Nadu **Authority:** MAWS

Complaint domains: Urban employment; public works; water bodies; parks; sanitation

What it does: Urban employment/public-works programme implemented through ULBs; examples include water-body desilting, fencing and municipal asset works.

AI matching signals: Urban unemployment plus permissible public works such as water-body/municipal maintenance.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/>

67. Tamil Nadu Urban Road Infrastructure Project (TURIP)

Level: Tamil Nadu **Authority:** MAWS

Complaint domains: Urban roads

What it does: Urban road improvement/restoration programme; state portal shows bituminous and paver-road projects.

AI matching signals: Potholes, damaged roads, resurfacing/road restoration.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/roads/>

68. Namakku Naame Thittam (Urban)

Level: Tamil Nadu **Authority:** MAWS

Complaint domains: Community-participation civic infrastructure

What it does: Can support water-body renovation, parks, playgrounds, traffic islands, fountains, streetlights, CCTV, trees/tree guards, public buildings, bridges/culverts, crematoria, storm-water drains, roads and public/community toilets.

AI matching signals: Streetlight, park, drain, road, water-body, toilet and community-infrastructure complaints where community contribution/project route is suitable.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/namakku-naame-thittam/>

69. State Finance Commission grants to ULBs

Level: Tamil Nadu **Authority:** MAWS/Finance

Complaint domains: Urban local services

What it does: State fiscal transfers to ULBs; exact use depends on grant/order.

AI matching signals: Local roads, sanitation, water and municipal assets depending on grant.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/>

70. 15th CFC Tied Grant – Tamil Nadu ULB implementation

Level: Tamil Nadu/local **Authority:** MAWS

Complaint domains: Water; sanitation

What it does: ULB tied grants commonly support water/sanitation functions subject to applicable orders.

AI matching signals: Water supply, sanitation, sewerage-related local infrastructure.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/>

71. 15th CFC Untied Grant – Tamil Nadu ULB implementation

Level: Tamil Nadu/local **Authority:** MAWS

Complaint domains: Local civic infrastructure

What it does: Flexible local-body grant subject to applicable rules and approvals.

AI matching signals: Roads and other permissible local civic works.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/>

72. State Urban Infrastructure Development Fund / urban infrastructure funding

Level: Tamil Nadu **Authority:** MAWS

Complaint domains: Urban infrastructure

What it does: State/local financing route visible in municipal project records; exact current eligibility is project-specific.

AI matching signals: Urban infrastructure projects.

Applicability: Tamil Nadu ULBs

Official source: <https://www.tnurbantree.tn.gov.in/>

73. Chief Minister's Breakfast Scheme

Level: Tamil Nadu **Authority:** School Education/MAWS interfaces

Complaint domains: Nutrition; schools

What it does: Public nutrition programme; municipal complaint routing may involve local school/public-service coordination.

AI matching signals: School meal/nutrition issue.

Applicability: Tamil Nadu

Official source: <https://www.tn.gov.in/>

74. Kalaigarnar Magalir Urimai Thogai

Level: Tamil Nadu **Authority:** Social Welfare

Complaint domains: Women; income support

What it does: State cash-support scheme for eligible women; not a municipal infrastructure scheme but may be relevant to citizen-benefit queries.

AI matching signals: Eligible woman asking about income support.

Applicability: Tamil Nadu

Official source: <https://www.tn.gov.in/>

75. Pudhumai Penn Thittam

Level: Tamil Nadu **Authority:** Social Welfare/Higher Education

Complaint domains: Girls' higher education support

What it does: Monthly support for eligible girl students from government-school background pursuing higher education.

AI matching signals: Student benefit query.

Applicability: Tamil Nadu

Official source: <https://www.tn.gov.in/>

76. Tamizh Pudhalvan

Level: Tamil Nadu **Authority:** Tamil Nadu Government

Complaint domains: Boys' higher education support

What it does: State higher-education support programme for eligible boys from government schools.

AI matching signals: Student benefit query.

Applicability: Tamil Nadu

Official source: <https://www.tn.gov.in/>

77. Social Security Pensions – Tamil Nadu

Level: Tamil Nadu **Authority:** Social Welfare

Complaint domains: Old age; widow; disability and other pensions

What it does: State social-security pension programmes; exact category/eligibility must be checked.

AI matching signals: Pension/support request.

Applicability: Tamil Nadu

Official source: <https://www.tn.gov.in/>

78. Dr Muthulakshmi Reddy Maternity Benefit Scheme

Level: Tamil Nadu **Authority:** Health & Family Welfare

Complaint domains: Maternity support

What it does: State maternity-benefit programme; not a municipal infrastructure scheme.

AI matching signals: Pregnancy/maternity benefit request.

Applicability: Tamil Nadu

Official source: <https://www.tn.gov.in/>

79. National Urban Health Mission – Tamil Nadu implementation

Level: Tamil Nadu/central **Authority:** Health

Complaint domains: Urban health centres

What it does: State implementation of NUHM through urban health facilities.

AI matching signals: Urban health-centre service/infrastructure complaint.

Applicability: Tamil Nadu

Official source: <https://www.tnhealth.tn.gov.in/>

80. Chennai Metro Rail Phase II

Level: Tamil Nadu **Authority:** CMRL

Complaint domains: Metro/public transport

What it does: Major urban transport project; complaints should route to CMRL/local authority based on the issue.

AI matching signals: Metro access, station-area construction/transport issue.

Applicability: Chennai

Official source: <https://chennaimetrorail.org/>

81. Greater Chennai Corporation Citizen Charter

Level: Local service framework **Authority:** GCC

Complaint domains: Water; roads; sanitation; streetlights; public health; certificates; licences

What it does: Not a scheme: it defines municipal services, responsible departments and service/grievance expectations.

AI matching signals: Almost any routine Chennai municipal complaint; use it for department/service routing.

Applicability: Greater Chennai

Official source: <https://chennaicorporation.gov.in/>

82. GCC Integrated Command and Control / grievance systems

Level: Local **Authority:** GCC

Complaint domains: Citizen complaints; emergency civic services

What it does: Local digital grievance/service-routing mechanism; current portal/process should be verified.

AI matching signals: Routine civic complaint filing/status.

Applicability: Greater Chennai

Official source: <https://chennaicorporation.gov.in/>

83. Tamil Nadu Urban Water Supply / Water Supply projects

Level: Tamil Nadu **Authority:** MAWS/CMWSSB/ULBs

Complaint domains: Water supply

What it does: State and ULB water-supply capital works; exact implementing agency depends on city.

AI matching signals: No water, low pressure, pipeline, OHT, distribution-network issues.

Applicability: Tamil Nadu urban areas

Official source: <https://www.tnurbantree.tn.gov.in/>

84. Chennai Metropolitan Water Supply and Sewerage Board services

Level: Local/state **Authority:** CMWSSB

Complaint domains: Water and sewerage

What it does: Service framework for Chennai water/sewerage; not a welfare scheme.

AI matching signals: Water connection, sewer connection, leaks, sewer overflow, supply interruptions.

Applicability: Chennai

Official source: <https://chennaietrowater.tn.gov.in/>

85. Tamil Nadu Pollution Control Board regulatory framework

Level: State regulator **Authority:** TNPCB

Complaint domains: Air; water; noise; waste; industrial pollution

What it does: Regulatory complaint route rather than benefit scheme.

AI matching signals: Industrial effluent, air pollution, noise, waste burning/illegal discharge.

Applicability: Tamil Nadu

Official source: <https://tnpcb.gov.in/>

86. Solid Waste Management Rules, 2016 + amendments

Level: National rules **Authority:** MoEFCC

Complaint domains: Solid waste

What it does: Legal framework for segregation, collection, processing and disposal.

AI matching signals: Garbage, open dumping, burning, collection/processing failures.

Applicability: National

Official source: <https://moef.gov.in/>

87. Solid Waste Management Rules, 2026

Level: National rules **Authority:** MoEFCC

Complaint domains: Solid waste; resource recovery

What it does: Current rules from 1 April 2026; use the latest notified requirements for classification and compliance.

AI matching signals: Waste segregation, collection, processing, disposal and related compliance.

Applicability: National

Official source: <https://moef.gov.in/>

88. Plastic Waste Management Rules, 2016 + amendments

Level: National rules **Authority:** MoEFCC

Complaint domains: Plastic waste

What it does: Framework for plastic-waste management and extended producer responsibility.

AI matching signals: Plastic litter, illegal disposal, EPR-related issues.

Applicability: National

Official source: <https://moef.gov.in/>

89. Construction and Demolition Waste Management Rules, 2016

Level: National rules **Authority:** MoEFCC

Complaint domains: Construction debris

What it does: Rules for C&D; waste collection, storage, transport and processing.

AI matching signals: Debris dumped on roads/plots, construction waste obstruction.

Applicability: National

Official source: <https://moef.gov.in/>

90. Bio-Medical Waste Management Rules, 2016

Level: National rules **Authority:** MoEFCC

Complaint domains: Biomedical waste

What it does: Rules for segregation, treatment and disposal of biomedical waste.

AI matching signals: Biomedical waste dumped/mixed with municipal waste.

Applicability: National

Official source: <https://moef.gov.in/>

91. E-Waste Management Rules, 2022

Level: National rules **Authority:** MoEFCC

Complaint domains: Electronic waste

What it does: E-waste management and EPR framework.

AI matching signals: E-waste dumping/collection/recycling complaints.

Applicability: National

Official source: <https://moef.gov.in/>

92. Battery Waste Management Rules, 2022

Level: National rules **Authority:** MoEFCC

Complaint domains: Batteries

What it does: Extended-producer-responsibility framework for waste batteries.

AI matching signals: Battery disposal/recycling complaint.

Applicability: National

Official source: <https://moef.gov.in/>

93. Noise Pollution (Regulation and Control) Rules, 2000

Level: National rules **Authority:** MoEFCC

Complaint domains: Noise

What it does: Legal framework for ambient noise and authority controls.

AI matching signals: Loudspeakers, construction noise, commercial noise, night-time disturbance.

Applicability: National

Official source: <https://moef.gov.in/>

94. Environment Protection Act, 1986

Level: National law **Authority:** MoEFCC

Complaint domains: Environmental pollution

What it does: Umbrella environmental law underlying many standards/rules.

AI matching signals: Serious environmental pollution or regulatory issue.

Applicability: National

Official source: <https://moef.gov.in/>

95. Air (Prevention and Control of Pollution) Act, 1981

Level: National law **Authority:** MoEFCC/CPCB

Complaint domains: Air pollution

What it does: Legal framework for air-pollution control.

AI matching signals: Industrial emissions, smoke, air-pollution sources.

Applicability: National

Official source: <https://cpcb.nic.in/>

96. Water (Prevention and Control of Pollution) Act, 1974

Level: National law **Authority:** MoEFCC/CPCB

Complaint domains: Water pollution

What it does: Legal framework for water pollution control.

AI matching signals: Industrial discharge, sewage/effluent pollution, contaminated water bodies.

Applicability: National

Official source: <https://cpcb.nic.in/>

97. Wetlands (Conservation and Management) Rules, 2017

Level: National rules **Authority:** MoEFCC

Complaint domains: Wetlands

What it does: Framework for notified wetlands and prohibited/regulatory activities.

AI matching signals: Wetland encroachment/pollution issues.

Applicability: National/identified wetlands

Official source: <https://moef.gov.in/>

98. Model Building Bye-Laws 2016

Level: National guidance **Authority:** MoHUA

Complaint domains: Building permissions; accessibility; parking; fire safety

What it does: Model framework adopted/modified by local authorities; local building rules prevail.

AI matching signals: Illegal construction, setback/height/parking/building-use complaints.

Applicability: Local adoption required

Official source: <https://mohua.gov.in/>

99. National Building Code of India 2016

Level: National code **Authority:** BIS

Complaint domains: Building safety; accessibility; fire/life safety

What it does: Technical building code used through local regulations.

AI matching signals: Unsafe building, accessibility, fire/life-safety concerns.

Applicability: National/local adoption

Official source: <https://www.bis.gov.in/>

100. Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014

Level: National law **Authority:** MoHUA

Complaint domains: Street vending

What it does: Legal framework for vending zones, certificates and regulation.

AI matching signals: Vendor eviction, vending-zone issues, livelihood/regulation complaint.

Applicability: Urban

Official source: <https://mohua.gov.in/>

101. Maintenance and Welfare of Parents and Senior Citizens Act

Level: National law **Authority:** Social Justice

Complaint domains: Senior citizens

What it does: Legal/social-support framework, not municipal infrastructure.

AI matching signals: Senior citizen welfare/support complaint.

Applicability: National

Official source: <https://socialjustice.gov.in/>

102. Rights of Persons with Disabilities Act, 2016

Level: National law **Authority:** DEPwD

Complaint domains: Accessibility; discrimination

What it does: Legal framework supporting accessibility and equal participation.

AI matching signals: Inaccessible public building, road crossing, transport or service.

Applicability: National

Official source: <https://depwd.gov.in/>

103. National Food Security Act / PDS framework

Level: Central **Authority:** Consumer Food & Public Distribution

Complaint domains: Food security

What it does: Food-grain entitlement framework; municipal complaints may be routed to civil supplies, not ULB.

AI matching signals: Ration/PDS complaint.

Applicability: National

Official source: <https://dfpd.gov.in/>

104. One Nation One Ration Card

Level: Central **Authority:** DFPD

Complaint domains: Portable food entitlement

What it does: Portability of ration benefits across states/UTs.

AI matching signals: Migrant household ration portability.

Applicability: National

Official source: <https://dfpd.gov.in/>

105. Ayushman Bharat PM-JAY

Level: Central **Authority:** NHA

Complaint domains: Health insurance

What it does: Hospitalisation coverage for eligible families; not a municipal health-infrastructure scheme.

AI matching signals: Eligible household health-cover query.

Applicability: National

Official source: <https://pmjay.gov.in/>

106. Ayushman Bharat Digital Mission (ABDM)

Level: Central **Authority:** NHA

Complaint domains: Digital health

What it does: Digital health ecosystem and health IDs/records.

AI matching signals: Digital health access/data interoperability issues.

Applicability: National

Official source: <https://abdm.gov.in/>

107. Pradhan Mantri Ujjwala Yojana

Level: Central **Authority:** MoPNG

Complaint domains: Clean cooking fuel

What it does: LPG access support for eligible households.

AI matching signals: Clean-cooking fuel support query.

Applicability: National

Official source: <https://www.pmuy.gov.in/>

108. PM Garib Kalyan / social protection measures

Level: Central **Authority:** Government of India

Complaint domains: Social protection

What it does: Use only current notified benefits; avoid treating historic COVID-only measures as current schemes.

AI matching signals: Emergency/social-support query.

Applicability: National

Official source: <https://www.india.gov.in/>

109. National Social Assistance Programme (NSAP)

Level: Central **Authority:** Ministry of Rural Development

Complaint domains: Pensions; family assistance

What it does: Central social-assistance umbrella implemented through states.

AI matching signals: Old-age/widow/disability/family assistance query, especially rural/state implementation.

Applicability: National

Official source: <https://nsap.nic.in/>

110. PM SVANidhi digital payments incentive

Level: Central **Authority:** MoHUA

Complaint domains: Street vendors; digital payments

What it does: Digital-transaction incentives may apply under current programme terms.

AI matching signals: Street vendor digital-payment support.

Applicability: Urban

Official source: <https://pmsvanidhi.mohua.gov.in/>

111. PM Formalisation of Micro Food Processing Enterprises (PMFME)

Level: Central **Authority:** MoFPI

Complaint domains: Micro enterprises; food processing

What it does: Credit-linked support/capacity building for eligible micro food-processing units.

AI matching signals: Small food business support.

Applicability: National

Official source: <https://pmfme.mofpi.gov.in/>

112. Prime Minister's Employment Generation Programme (PMEGP)

Level: Central **Authority:** KVIC

Complaint domains: Micro-enterprise employment

What it does: Credit-linked subsidy for eligible micro-enterprise creation.

AI matching signals: Small business/self-employment request.

Applicability: National

Official source: <https://www.kviconline.gov.in/pmegpeportal/>

113. Pradhan Mantri Mudra Yojana (PMMY)

Level: Central **Authority:** DFS

Complaint domains: Micro-enterprise credit

What it does: Institutional credit for eligible micro/small businesses.

AI matching signals: Small business working-capital/loan query.

Applicability: National

Official source: <https://www.mudra.org.in/>

114. Stand-Up India

Level: Central **Authority:** DFS

Complaint domains: Entrepreneurship; SC/ST; women

What it does: Bank loans for eligible greenfield enterprises.

AI matching signals: Women/SC/ST entrepreneurship financing.

Applicability: National

Official source: <https://www.standupmitra.in/>

115. Startup India

Level: Central **Authority:** DPIIT

Complaint domains: Startups; innovation

What it does: Startup ecosystem support and recognition.

AI matching signals: Startup/innovation support query.

Applicability: National

Official source: <https://www.startupindia.gov.in/>

116. Skill India / PMKVY

Level: Central **Authority:** MSDE

Complaint domains: Skill training

What it does: Vocational training and certification programmes.

AI matching signals: Unemployment/skill training request.

Applicability: National

Official source: <https://www.pmkvyofficial.org/>

117. National Apprenticeship Promotion Scheme (NAPS)

Level: Central **Authority:** MSDE

Complaint domains: Apprenticeships

What it does: Apprenticeship support for employers/trainees.

AI matching signals: Apprenticeship request.

Applicability: National

Official source: <https://www.apprenticeshipindia.gov.in/>

118. Pradhan Mantri Kaushal Vikas Yojana

Level: Central **Authority:** MSDE

Complaint domains: Skills

What it does: Skill development programme; current phase should be checked.

AI matching signals: Skill training request.

Applicability: National

Official source: <https://www.pmkvyofficial.org/>

119. National Urban Livelihoods Mission – SEP

Level: Central **Authority:** MoHUA

Complaint domains: Self-employment

What it does: Self-employment programme under DAY-NULM.

AI matching signals: Urban micro-enterprise support.

Applicability: Urban

Official source: <https://nulm.gov.in/>

120. National Urban Livelihoods Mission – EST&P;

Level: Central **Authority:** MoHUA

Complaint domains: Employment/skills

What it does: Employment through skills training and placement.

AI matching signals: Urban skill-training/job support.

Applicability: Urban

Official source: <https://nulm.gov.in/>

121. National Urban Livelihoods Mission – SM&ID;

Level: Central **Authority:** MoHUA

Complaint domains: SHGs/institution building

What it does: Social mobilisation and institutional development.

AI matching signals: Urban SHG/group support.

Applicability: Urban

Official source: <https://nulm.gov.in/>

122. National Urban Livelihoods Mission – SUSV

Level: Central **Authority:** MoHUA

Complaint domains: Street vendors

What it does: Urban street-vendor component; PM SVANidhi is the dedicated credit programme.

AI matching signals: Street-vendor regulation/support.

Applicability: Urban

Official source: <https://nulm.gov.in/>

123. National Urban Livelihoods Mission – urban shelters

Level: Central **Authority:** MoHUA

Complaint domains: Homelessness

What it does: Shelters for urban homeless under DAY-NULM.

AI matching signals: Homeless shelter issue.

Applicability: Urban

Official source: <https://nulm.gov.in/>

124. Pradhan Mantri Jan Dhan Yojana

Level: Central **Authority:** DFS

Complaint domains: Banking inclusion

What it does: Basic banking access; useful for benefit-payment access problems.

AI matching signals: No bank account/payment-access barrier.

Applicability: National

Official source: <https://pmjdy.gov.in/>

125. PM Jeevan Jyoti Bima Yojana

Level: Central **Authority:** DFS

Complaint domains: Life insurance

What it does: Low-cost life insurance scheme for eligible account holders.

AI matching signals: Insurance benefit query.

Applicability: National

Official source: <https://financialservices.gov.in/>

126. PM Suraksha Bima Yojana

Level: Central **Authority:** DFS

Complaint domains: Accident insurance

What it does: Accident insurance for eligible account holders.

AI matching signals: Accident-insurance query.

Applicability: National

Official source: <https://financialservices.gov.in/>

127. Atal Pension Yojana

Level: Central **Authority:** PFRDA

Complaint domains: Pension

What it does: Pension savings scheme.

AI matching signals: Pension query.

Applicability: National

Official source: <https://www.pfrda.org.in/>

128. National Apprenticeship / NAPS-2

Level: Central **Authority:** MSDE

Complaint domains: Employment/skills

What it does: Apprenticeship support; verify current rules and portal.

AI matching signals: Youth seeking apprenticeship.

Applicability: National

Official source: <https://www.apprenticeshipindia.gov.in/>

129. Pradhan Mantri Awas Yojana – Urban 2.0 Beneficiary Led Construction

Level: Central **Authority:** MoHUA

Complaint domains: Individual house construction

What it does: One PMAY-U 2.0 vertical; eligibility, land/title and other conditions must be checked.

AI matching signals: Eligible urban household seeking assistance to construct/complete house.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

130. PMAY-U 2.0 Affordable Housing in Partnership

Level: Central **Authority:** MoHUA

Complaint domains: Affordable housing projects

What it does: Project/partnership-based affordable housing.

AI matching signals: Affordable housing availability/project issue.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

131. PMAY-U 2.0 Affordable Rental Housing

Level: Central **Authority:** MoHUA

Complaint domains: Rental housing

What it does: Affordable rental housing for eligible urban groups.

AI matching signals: Migrant/worker rental housing.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

132. PMAY-U 2.0 Interest Subsidy Scheme

Level: Central **Authority:** MoHUA

Complaint domains: Housing finance

What it does: Interest subsidy component for eligible home loans.

AI matching signals: Home-loan affordability.

Applicability: Urban

Official source: <https://pmay-urban.gov.in/>

133. SBM-U 2.0 Used Water Management

Level: Central **Authority:** MoHUA

Complaint domains: Faecal sludge; wastewater

What it does: Urban used-water and faecal-sludge management within mission scope.

AI matching signals: Sewer overflow, untreated wastewater, faecal-sludge management.

Applicability: Urban

Official source: <https://sbmurban.org/>

134. SBM-U 2.0 Legacy Waste Remediation

Level: Central **Authority:** MoHUA

Complaint domains: Dumpsites; legacy waste

What it does: Remediation/biomining of legacy dumpsites in eligible ULB projects.

AI matching signals: Old dumpsite, landfill fire/odour, legacy waste.

Applicability: Urban

Official source: <https://sbmurban.org/>

135. SBM-U 2.0 Material Recovery Facilities

Level: Central **Authority:** MoHUA

Complaint domains: Dry waste; recycling

What it does: MRF and waste-processing infrastructure in approved projects.

AI matching signals: No segregation/recycling facility, mixed waste.

Applicability: Urban

Official source: <https://sbmurban.org/>

136. SBM-U 2.0 Public/Community Toilets

Level: Central **Authority:** MoHUA

Complaint domains: Public sanitation

What it does: Public/community sanitation infrastructure.

AI matching signals: No public toilet, broken/unusable public toilet.

Applicability: Urban

Official source: <https://sbmurban.org/>

137. SBM-U 2.0 Source Segregation

Level: Central **Authority:** MoHUA

Complaint domains: Household waste collection

What it does: Segregation and collection systems.

AI matching signals: Mixed waste, no door-to-door collection, wet/dry waste issue.

Applicability: Urban

Official source: <https://sbmurban.org/>

138. AMRUT 2.0 Sewerage & Septage

Level: Central **Authority:** MoHUA

Complaint domains: Sewerage; septage

What it does: Sewer networks, treatment and septage management in eligible city projects.

AI matching signals: Sewer overflow, lack of sewer network, septic/septage issue.

Applicability: Urban

Official source: <https://amrut.mohua.gov.in/>

139. AMRUT 2.0 Water Supply Coverage

Level: Central **Authority:** MoHUA

Complaint domains: Piped water

What it does: Projects aimed at improving urban water supply coverage/service levels.

AI matching signals: No piped water, intermittent supply, distribution-network gaps.

Applicability: Urban

Official source: <https://amrut.mohua.gov.in/>

140. AMRUT 2.0 Reuse of Treated Water

Level: Central **Authority:** MoHUA

Complaint domains: Water reuse

What it does: Promotes treated-water reuse within eligible projects.

AI matching signals: Wastewater reuse, treated-water demand.

Applicability: Urban

Official source: <https://amrut.mohua.gov.in/>

141. AMRUT 2.0 Rainwater/Water Conservation

Level: Central **Authority:** MoHUA

Complaint domains: Water conservation

What it does: Water-security projects and conservation measures.

AI matching signals: Rainwater harvesting/water conservation in urban context.

Applicability: Urban

Official source: <https://amrut.mohua.gov.in/>

142. Urban Flood Management / drainage programmes

Level: Central/state/local **Authority:** Multiple

Complaint domains: Urban flooding; drainage

What it does: Drainage and flood-mitigation works may be funded through different state/ULB/central programmes; route by jurisdiction and project.

AI matching signals: Waterlogging, blocked storm-water drain, flood-prone street.

Applicability: Urban

Official source: <https://mohua.gov.in/>

143. National Mission for Sustainable Agriculture – water efficiency boundary case

Level: Central **Authority:** Agriculture

Complaint domains: Water efficiency

What it does: Agricultural/rural boundary programme; do not route ordinary city complaints here.

AI matching signals: Agricultural water-efficiency issue.

Applicability: Rural/agriculture

Official source: <https://agriwelfare.gov.in/>

144. Pradhan Mantri Krishi Sinchayee Yojana

Level: Central **Authority:** Agriculture

Complaint domains: Irrigation/water conservation

What it does: Agricultural irrigation programme; rural/agriculture boundary case.

AI matching signals: Farm irrigation/water-conservation issue.

Applicability: Rural/agriculture

Official source: <https://pmksy.gov.in/>

145. Per Drop More Crop

Level: Central **Authority:** Agriculture

Complaint domains: Micro-irrigation

What it does: Agricultural micro-irrigation support.

AI matching signals: Farm irrigation efficiency.

Applicability: Rural/agriculture

Official source: <https://pmksy.gov.in/>

146. Mission Amrit Sarovar

Level: Central **Authority:** Rural Development

Complaint domains: Water bodies

What it does: Rural water-body creation/rejuvenation; boundary case for municipal projects.

AI matching signals: Rural pond/water-body issue.

Applicability: Rural

Official source: <https://amritsarovar.gov.in/>

147. GOBARdhan

Level: Central **Authority:** DDAWS/Jal Shakti

Complaint domains: Biogas; organic waste

What it does: Waste-to-wealth/biogas programme, mainly rural but useful for peri-urban boundary routing.

AI matching signals: Organic waste, cattle waste, biogas project.

Applicability: Rural/peri-urban

Official source: <https://sbm.gov.in/>

148. National Mission on Edible Oils – Oil Palm

Level: Central **Authority:** Agriculture

Complaint domains: Agriculture

What it does: Not normally civic; included as boundary category to prevent false municipal matching.

AI matching signals: Agricultural livelihood query.

Applicability: Rural

Official source: <https://agriwelfare.gov.in/>

Person 3 handoff checklist

1. Download the current official operational guideline/circular for each high-priority programme.
2. Store the PDFs in your project's data/raw/ folder with stable filenames.
3. Record title, issuing authority, publication date, URL, page count and whether the PDF text is selectable.
4. Give Person 1 the scheme name, complaint keywords, eligibility constraints, geography, exclusions and source URL.
5. Keep rural schemes such as JJM, SBM-G, PMAY-G and PMGSY as **boundary cases**; the AI must not incorrectly map a city complaint to them.
6. Keep rules such as SWM Rules, Noise Rules, C&D; Waste Rules, NBC and RPwD Act as **regulatory references**, not as cash-benefit schemes.
7. For Chennai, combine national programmes with GCC/CMWSSB/TNPCB and Tamil Nadu urban programmes. A national scheme does not replace the local grievance channel.
8. Before the demo, test at least: no water, sewer overflow, garbage dumping, pothole, broken streetlight, flooding, stray dogs, illegal construction, air pollution, noise complaint, street vendor issue, homelessness, park/water-body issue, housing request and electricity/solar request.

Primary discovery layer: myScheme — the Government of India's one-stop scheme discovery platform. It reports thousands of schemes across categories and is designed to connect citizens to eligibility and application information.

Official discovery: <https://www.myscheme.gov.in/>
